

WATERPLAY SOLUTIONS CORP.

Waterplay Solutions offers you an unwavering commitment to delivering the worlds most innovative and fun play solutions and services. Our objective is to make your park building experience as seamless and rewarding as possible. We want to help you dream, design, and deliver the best possible solutions to the challenges of providing a water play park for families and children

Dream: You have a vision. A vision of a thriving water play area. Designing sustainable public spaces to reflect the identity of the community and promote healthy living and stimulate active participation can be a daunting task. How do you make your dreams a reality? That is where Waterplay Solutions comes in. Let us paint a picture of your ideal water play area through the use of our array of spray park products, our custom graphics, and our vast color options. With Waterplay Solutions no two parks are ever the same. We welcome the opportunity to help you realize the dream.

Design: Your time is valuable. You have an assignment to research, price, build and provide a water play area. But you are asking yourself, how do I get started? What options are available? How do I make my project distinctive? We want to make your job easier. Whether you are looking to create an enticing urban oasis, an interactive children's water play area or a destination for families to gather together and unwind, look no further. Our online design tools and experienced team of service professionals give you the power to bring your creative visions to life. Waterplay offers the largest breadth of product and service solutions has a full complement of design and presentation tools to help you chose and configure components and systems that ultimately create water play magic for children

Deliver: You need a partner you can count on. To us, *delivery* means delivering service, delivering quality, delivering safety, delivering a good warranty and ultimately delivering end user satisfaction. Once you have received your Waterplay products on site, our job is not done. Our customer service continues from the day you start your design to years after completion. Whenever you have questions or concerns, our Project Support Specialists are ready and willing to help. We are part of the solution.

DREAM • DESIGN • DELIVER
