

## LEADERS IN RECREATIONAL INNOVATION

We are a specialist team thinking beyond conventional recreational spaces to create unique, award winning playspaces to benefit children, families and communities across Australia.

Children are driven by their innate curiosity to grow and learn and explore. In the same way, the Playscape Creations design team are driven by their curiosity and determination to allow communities to connect, learn and grow in a setting that responds to multi-generational needs.

### OUR PROCESS

We will offer you a full end to end design, engineering and construction service, where our experts work with you to create a site-responsive design that brings your unique vision to life.

#### 01 DISCOVERY PHASE

Our design team will hold ideation sessions with you to turn your visions into reality.

#### 02 CONCEPT PHASE

Complex design renders will be developed and presented to you based off the ideation sessions.

#### 03 DESIGN PHASE

Final concept plans and renders will be developed along with all engineering and hydraulic details.

## OUR PACKAGES

To meet the demand for unique and valuable designed spaces, Playscape Creations is focussed on delivering holistic play environments that meet our clients' individual needs.

All designs are fully customised to suit your budget, theme and site considerations such as terrain, overall environment and heritage sensitivities.

Our experienced in-house design team is available to help you navigate the complexities of landscape design, playspace compliance and community considerations so you can conclude the design process with a complete concept plan.
